Criterion B: Record of tasks

Task number	Planned action	Planned outcome	Time estimated	Target completion date	Criterion
1	Decide on a client and a problem	Speak to my client and find out details of her/his problem	March 2016	15th March 2016	A
2	Initial discussion with the computer science teacher	My ideas were approved.	March 2016	22nd March 2016	A
3	Discussion with my client Kimmico Mehta	Discuss my proposal and the problems faced in the business.	April 2016	5th April 2016	A
4	Interview with Kimmico Mehta	Talk about the different solutions that could solve her problem and come up with a projected idea.	April 2016	14th April 2016	A
5	Make a decision of which language and software to use.	Make comparisons with other languages and software's	May 2016	25th May 2016	A
6	Define criteria for success	Speak to my client and make a note of the needs	June 2016	15th June 2016	A
7	Start the design stage of the interface.	Come up with different layouts for the software.	July 2016	12th July 2016	B
8	Create the algorithm of the working of the software	Create the various stages and the different outputs possible	July 2016	25th July 2016	B
9	Decide the test plan for my software	Come up with the different testing strategies	July 2016	29th July 2016	B
10	Product Development	Created the cover interface	August 2016	12th August 2016	C
11	Database connectivity	Connect the cover page to database 1 and the order to database 2	September 2016	20th September 2016	C
12	Created buttons and object definitions	Connect JFrame's	October 2016	11th October 2016	C

13	Test done by best friend	Connection of Jframes tested	November 2016	19th Novemebr 2016	C,D
14	Tests done on the database connectivity and creation of bill	The total amount due was also supposed to be calculated	December 2016	3rd December 2016	C,D
15	Improve Solution	Bill should be created from information in database as well as total amount	December 2016	20th December 2016	C,D
16	Solution given to client	The client tested the software based upon her needs	January 2016	23rd January 2016	E
17	Feedback received from client	Limitations should be found	January 2016	30th January 2016	E
18	Ideas for further improvement	For the future, ideas were developed to improve the software	February 2016	15th February 2016	E
19	Internal Assessment submitted to teacher		March 2016	20th March 2016
